

## Fully Featured

This service plan comes loaded with features including:

## Control your Budget

This plan is an excellent choice if your office requires support for your network and file server as well as all the other common technical set backs that can occur. Our skilled technicians offer phone and remote support, as well as on-site visits to your location to help solve the problems you may encounter.

## Compared to our on-the-go service charges, this plan:

- **Doubles your received support time for remote support calls**
- **Gives you a discounted rate (50% off) for on-site visits that exceed your allotted support time**
- **Lets you roll-over unused support time to the next month**

For more information and our rate guide, please visit our website: [www.1800itplace.com](http://www.1800itplace.com)

\*Roll-over applies to the previous month's time only and cannot be rolled over more than once.

\*Travel time and mileage charges may apply at discounted rates

\*Parts & software licenses extra
